Professional Experience:

Founder | Michael Lee Chambers | Singapore | 2023 – Present

- Established an independent practice focused on international arbitration, mediation, and consultancy services.
- Provide expert guidance to clients in resolving complex international disputes, drawing on extensive experience and knowledge of diverse legal systems and cultural nuances.
- Act as a trusted neutral and facilitator in negotiations, leveraging strong communication and interpersonal skills to foster productive dialogue and achieve mutually beneficial outcomes.
- Offer consultancy services to assist clients in developing effective dispute resolution strategies and ensuring compliance with international legal frameworks.

Head of AAA/ICDR Asia Office | Singapore | 2009 – 2023

- Led the Asia operations of AAA/ICDR, overseeing the Association's regional activities across multiple countries, including China, Hong Kong, Taiwan, Korea, Japan, India, Malaysia, and Vietnam.
- Managed the overall operation of the Asia office, driving business development initiatives, and cultivating strategic relationships.
- Conducted educational programs for corporate counsel, the international panel of neutrals, and practicing attorneys, sharing research findings on dispute management, business negotiation, and the comprehensive rules and processes of AAA/ICDR.
- Served as a member of the AAA/ICDR internal committee for Rules Drafting for 15 years, contributing to the development and refinement of arbitration rules.
- Participated in the internal review committee for the International Arbitrator and Mediator Panel applications, ensuring the highest qualifications and standards for panel members.
- Taught at the AAA/ICDR International Symposium in Advanced Case Management Issues for 15 years, sharing insights and expertise on various aspects of arbitration and mediation.
- Keynote speaker, panel speaker, and moderator at over 200 international arbitration and mediation events and conferences, offering valuable insights and thought leadership in the field.
- Provided training in various Chartered Institute of Arbitrators (CiArb) programs in the Asia region, promoting excellence in arbitration practices.

- Established and led the AAA/ICDR Asia Advisory Committee, Korea Advisory Committee, and India Advisory Committee, fostering collaboration and sharing best practices in arbitration.

International Case Manager | AAA/ICDR New York Office |

- Managed international arbitration cases, leveraging in-depth knowledge of AAA/ICDR rules and procedures.
- Coordinated with parties, arbitrators, and legal counsel to ensure efficient case administration and adherence to established protocols.
- Provided guidance and support to parties involved in the arbitration process, facilitating effective communication and timely resolution.

By the Numbers: A Glimpse of Accomplishments

- During Mr. Lee's tenure, AAA/ICDR administered approximately 14,000 international arbitration and mediation cases, and out of 14,000, there were approximately 4,000 Asia-related cases.
- Engaged as a keynote speaker, panelist, and moderator at over 200 prestigious international events and conferences, delivering insightful presentations on dispute resolution, arbitration, and mediation.
- Served as a distinguished guest lecturer at numerous esteemed law schools in Asia, imparting knowledge on international arbitration and sharing practical experiences on more than 40 occasions.
- Served as a distinguished guest lecturer at numerous Bar Association lectures in Asia, imparting knowledge on international arbitration and sharing practical experiences on more than 60 occasions.
- Organized and contributed as a faculty member in 5 AAA/ICDR International Symposium in Advanced Case Management Issues, elevating the skills and expertise of newly empanelled arbitrators.
- Actively participated as a special guest lecturer in the 4 Chartered Institute of Arbitrators (CiArb) training programs in Asia, fostering excellence in arbitration practices and imparting industry knowledge.

Establishing Singapore Maxwell Chambers

- Played a pivotal role as the key liaison between AAA/ICDR and the Singapore government in the establishment of Singapore Maxwell Chambers. Collaboratively worked towards promoting Singapore as the premier arbitration venue in Asia, showcasing the city-state's commitment to international arbitration.

Renewing Cooperative Agreement

- Successfully led the negotiations and renewal of the cooperative agreement between AAA/ICDR and the Singapore government multiple times. This achievement underscored the continued partnership and mutually beneficial collaboration between the two entities.

Expansion of AAA/ICDR Office

- Spearheaded the expansion of the AAA/ICDR office into a recognized and fully functional case management centre. Through strategic planning and effective execution, transformed the office into a hub for comprehensive arbitration services, further enhancing AAA/ICDR's presence and capabilities in the region.
